

AudioNetic

Very strong
and durable

The AudioNetic is weatherproof
and almost indestructible.
Userfriendly and 100% save.

Moving is fun
Science is fun
Laughter is fun

This makes the AudioNetic!

How does it work?

Great games that stimulate exercise and collaboration!

By pumping the foot pedal children generate energy. Powered up? Press the push button and a selection of games will follow.

The AudioNetic randomly selects a game! All commands are focused on physical movement and interaction.

Hopscotch, tag, hide and go seek, everything is covered. Did you know that there are over 50 different variants of tag?!

Want to laugh? There are also jokes and riddles included! Laughing is super healthy!

With Professor Yellowsnow you will become aware of many interesting scientific facts. Move, listen, learn and have lots of fun!

The AudioNetic comes with a USB stick full of fun!

Other audio? Or your own (recorded) audio?
Simply change the USB stick!
